An ASAT member-at-large may be a person, firm or corporation that in the normal conduct of business furnishes subcontract labor and/or materials to the construction industry or provides a service to such subcontractors or material suppliers and is not located in the geographic area of an ASA chartered chapter in Texas. A subcontractor is defined as an entity with the majority of its work conducted as a subcontractor or a supplier of labor, materials or services to the construction industry. Architects, engineers, general contractors, construction managers and construction owners are not eligible for membership.
